WHO: Cylinder Department of Aircraft Engine Specialists

WHAT: We are expanding!

CONTACT: Tia Finley at (480) 516-0397 or (800) 642-1572

WHY: **Aircraft Engine Specialists is expanding!** Our Cylinder Department has supported our engine shop with overhauled and repaired cylinders for 16 plus years. We are now offering our cylinder expertise to the flying public. With our extensive inventory, we can provide almost anything our customers needs with a quick **turn around time**. *We are proud to announce that we are the only cylinder shop in the Southwest United States that perfects the honing of our cylinders using the Sunnen SV-10 Honing Machine!* Our competitive pricing on all repairs, stud assemblies, or complete cylinder overhauls are a great value! Remember that cylinders are always returned freight paid! Aircraft Engine Specialists can also provide new cylinder replacements of Superior, ECI, Lycoming, and TCM at competitive prices. The Aircraft Engine Specialists Cylinder Shop can assist you with all of your cylinder needs.

For more information please visit our website at www.aircraftenginespecialists.com or call 1-800-642-1572 and ask to speak to Tia.
